PENDING LAND USE APPLICATIONS

The City's Staff Review Committee (SRC) will review the following land use applications. Persons desiring to submit written comments on projects prior to the SRC recommendation to the Community Development Director, Design Review Committee, Zoning Administrator, Planning Commission, or City Council, as applicable, should file comments with the City's Planning Division within 10 days of the projects listing on the web site. This notice requirement is in addition to and not in lieu of any other legally required notice. Failure to provide this notice shall in no way be construed as an invalidation of any SRC recommendations or decisions, or the decisions of any person or body to whom recommendations have been made. Should you have any questions, please do not hesitate to contact the case planner for more information.

Applicant/ Project Name	Project Address	Land Use Applications/ Project Description	Case Planner	Posted on the web site	Comments Due	Status

Orange Lutheran High School	Santiago Blvd, N 2222	DRC No. 4643-12 & MNSP No. 0698-12 Expansion consisting of a two-story addition which would house a new practice gym (with no seating or bleachers), support facilities, food service/kitchen area and multipurpose rooms.	Robert Garcia (714) 744-7239 rgarcia@cityoforange.org			Construction underway
Rio Santiago	Santiago Canyon Road, E. 6118	General Plan Amendment, including without limitation, amendments to the East Orange General Plan and the Orange Park Acres Plan (GPA 2009-0002); Zone Change (ZC 1254-09); Environmental Impact Report (EIR 1818-09); Design Review Committee (DRC 4413-09); Tentative Tract Map (TTM 0025-09); Rio Santiago Specific Plan (SP 001-09); and a Development Agreement (Number to be Assigned) The following is proposed via a Specific Plan: Natural open space on approximately 48 gross acres. Private recreational uses on approximately 10 gross acres. This would include uses such as a 81,000 square foot building with a maximum two-story height that may include a YMCA facility consisting of uses that could include a wellness center, gymnasium, pool, multi-purpose rooms, a child care center, locker rooms, and administrative offices. Outdoor sport fields and courts are proposed in association with the facility. Educational facilities and a resource center with medical services such as an Autism Center could also be part of the 10 gross acres site, in association with	Chad Ortlieb 714-744-7237 cortlieb@cityoforange.org	4/30/09	Pending	A Notice of Availability/Notice of Completion for the project Environmental Impact Report was released to the public on 5-16-13. The 45 day public review and comment period ended July 1, 2013. A Design Review Committee continued meeting will occur on October 2, 2013.

Salem Lutheran Church & School	Santiago Canyon Road, E. 6500	the 81,000 square foot building. Actual uses will be refined in the forthcoming Specific Plan. No more than 130 single-family residences on approximately 35 gross acres of the project site. This community would include residential lots with a minimum lot size of approximately 6,000 square feet with some home sites as large as 20,000 square feet. No more than a 265 unit age-targeted community on approximately 17 gross acres of the project site. The community would be comprised of a combination of individual units focused on one and two-story flats (referred to as "villas" in the Specific Plan), independent living, and assisted living. Unit sizes would range from 400 to 2,400 square feet in area. ZC No. 1259-11, SPLAN No. 002-11, DRC No. 4538-11 & ENV No. 1827-11 Specific Plan for the Salem Lutheran Church and School to provide a comprehensive development plan for the property regarding the relocation of the preschool and construction of a new sanctuary. As proposed the existing preschool is to be relocated to the adjacent single-family residence and its grounds, to become part of the Salem Lutheran Church and School campus. The location of the new worship center is proposed in the south-central portion of the site in the general area of the existing preschool building and sanctuary, and will be adjacent to the remaining school buildings.	Robert Garcia (714) 744-7231 rgarcia@cityoforange.org	05/05/05		DRC recommending approval with recommendations Liaison Committee meeting with different groups.
