BUSINESS NAME: \_\_\_\_\_

STREET ADDRESS: \_\_\_\_\_

CONTACT PERSON/TITLE: \_\_\_\_\_

CONTACT PHONE NO.: \_\_\_\_\_ E-MAIL \_\_\_\_\_

**What is the status of your food scrap/organic recycling program?**

- Active: Our business is currently diverting food scraps from the landfill
- Pending: Our business is planning to implement a program to divert food scraps from the landfill
- Food scraps collection program is not implemented.

**Organic materials in your waste system (generated on-site) include:**

- Pre-consumer food scraps (i.e., vegetable trimmings, spoiled produce, etc.)
- Post-consumer food scraps (i.e., plate scrapings)
- Edible but excess or expired food
- Wood waste
- Landscaping/green waste
- Other—Please describe: \_\_\_\_\_

**Our business currently recycles organic waste as described:**

- CR&R collects and recycles food waste
- Donation of edible but excess or expired food to a food bank
- Backhauling of spoiled produce is sent to a central location for composting
- Another vendor collects and recycles food waste for free (i.e., agricultural reuse; fat renderer; etc.)
- Self-haul; we deliver food waste to a compost or recycling facility directly
- Onsite processing and composting
- Other—Please describe: \_\_\_\_\_

**\*\* Free Assistance from the City: I would like to be contacted by the City staff to receive free technical assistance on how to improve our existing organics diversion program.**  Yes  No

**If you donate edible food or self-haul your food waste/organics, please identify the organization(s) your company/restaurant utilize.**
