This is to certify that as the applying principal, my immediate family, tenants, or employees who have access to the protected premises have been given training which includes procedures and practices to follow in the event that the alarm system is accidentally activated. The police department response may be influenced by factors including, but not limited to, the availability of officers, priority calls, traffic conditions, emergency conditions and staffing levels. I have read and understood the Orange Municipal Code 9.04. - False Alarms.
