I declare that the following statements are true to the best of my knowledge:

1. I am the Registered Design Professional retained by the Owner to be in responsible charge of the structural observation in accordance with the requirements of the City of Orange;
2. I, or another Registered Design Professional whom I have designated above and is under my responsible charge, has performed the required site visits at each significant construction stage to verify that the structure is in general conformance with the approved construction documents;
3. I understand that all deficiencies which I have documented must be corrected and a new structural observation report must be issued clearing these deficiencies; and
4. I understand that final acceptance of the structural systems by the City of Orange Building Division cannot occur without the correction of all observed deficiencies.
