What is the Mills Act Program?

The Mills Act Program is a voluntary financial incentive program, enabled by California Government Code, Article 12, Sections 50280-50290, established in 1972 (Mills Act). The Mills Act allows municipalities to enter into a Historic Property Preservation Agreement (Mills Act Contract) with owners of qualified historic properties. Under the terms of the Mills Act Contract, the property owner agrees to preserve, maintain, and rehabilitate the historic property in conformance with the *Secretary of the Interior's Standards for the Treatment of Historic Properties (Secretary's Standards)* and with local historic preservation standards. In 1998, the Orange City Council took action to allow Mills Act Contracts. Since that time, the City has approved more than 200 contracts.

Under a Mills Act Contract, the historic property is reassessed by the Orange County Office of the Assessor to determine the "Historical Property Value." The Historical Property Value is based on the property's income-producing potential (generally from rental income) and is used to determine property taxes under the Mills Act Contract. Property tax reductions vary based on each property's income-producing potential and current assessed value.

"The Mills Act Program is intended to offset the costs of rehabilitation and maintenance of your historic property."

Which Properties are Eligible?

Properties eligible for a Mills Act Contract include:

- ▶ Contributors to the Old Towne Orange National Register Historic District
- ▶ Contributors to the Old Towne Orange Local Historic District
- ▶ Properties separately listed in the National Register of Historic Places or the California Register of Historical Resources

Properties must be privately owned and may not be exempt from property taxation. Both owner-occupied and income-producing properties are eligible for a contract. Properties with outstanding code violations are not eligible to apply. Code violations must be corrected before an application will be accepted. Properties with delinquent property taxes are also ineligible.

What is Your Responsibility Under a Mills Act Contract?

Mills Act Contracts are intended for property owners who are planning for substantial rehabilitation of their properties. Property tax savings under a Mills Act Contract are intended to offset the costs of this rehabilitation. In general, the total cost estimate in your Rehabilitation/Maintenance Plan should equal the approximate amount of property tax savings over the first ten year term of the contract.

A **contributor** is a historic property within a historic district. The property “contributes” to the significance of the historic district. Even if your property is located within the boundaries of the City’s Historic Districts, it may not be eligible for a Mills Act Contract if it is a noncontributor. A non-contributor is a property that either was constructed after the historic district’s period of significance or has had major alterations since its construction. To determine if your property is a contributor, please see the City’s online Historic Preservation Viewer: <http://gis.cityoforange.org/flexviewers/HistoricPreservationViewer/> or contact Planning Division staff.

Under a Mills Act Contract, you are not required to return a building to its appearance during a specific historic period; however, you are required to complete work that supports the long-term preservation of the building. Examples of appropriate work items under a Mills Act Contract include seismic retrofit, re-roofing, and plumbing, electrical, and mechanical upgrades. Smaller work items and general maintenance such as window repair or painting are also eligible. All work must be related to the exterior or building systems. Cosmetic improvements to the interior of historic buildings, such as kitchen or bathroom renovations, are not considered eligible work items under the Mills Act Program.

All work on a property with a Mills Act Contract must be in conformance with the *Secretary's Standards*. For contributors in the City's historic districts, rehabilitation also must conform with historic preservation design standards for the historic district in which the property is located. Please familiarize yourself with the applicable historic preservation regulations prior to submitting your application.

For the application, property owners are required to submit a description of work, timeline, and cost estimates for rehabilitation of the property during the first ten year term of the Contract (see Rehabilitation/ Maintenance Plan). Please note that the Rehabilitation/Maintenance Plan is binding on all future property owners, so it should address the critical preservation needs of the property and not the personal preferences of the property owner.

The ***Secretary's Standards*** are federal guidelines for historic preservation, created and interpreted by the National Park Service (NPS). The Rehabilitation Standards are included as an Exhibit to the Mills Act Contract. More information is available on the NPS website: <http://www.nps.gov/tps/standards.htm>.

How Will Your Property Taxes Change Under The Mills Act?

Mills Act properties are re-assessed annually by the Orange County Office of the Assessor through a methodology determined by the State of California.

Under the Mills Act, three property values are determined:

1. Base Year Value, or the purchase price under Proposition 13 with an annual 2% rate of increase.
2. Fair Market Value, or the potential sale value of the property at the time of the assessment.
3. Historical Property Value, calculated as described below.

The Historical Property Value is based on the property's ability to produce income. For owner-occupied property, income is based on potential rental value. For commercial, industrial, and multi-family properties, income is based on actual rent rolls. The property's income less expenses is then divided by a capitalization rate to establish the Historical Property Value.

The Assessor will base property taxes on the lowest of these three values. This generally results in a significant property tax reduction unless the property already benefits from low property taxes under Proposition 13.

Entering into a Mills Act Contract does not automatically guarantee a reduction in property taxes; you are most likely to benefit from a Mills Act contract if you have purchased the property within the past 10 years. Please complete the attached Tax Assessment Worksheet to determine the potential property tax reduction for your property.

What are the Contract Terms?

Mills Act Contracts run for a ten year term and are automatically renewed each year on the anniversary of the Contract's approval by City Council. In effect, the contract is always 10 years away from termination, unless the property owner or the City submits a notice of non-renewal. The property owner must provide written notice of non-renewal to the City at least 90 days prior to the renewal date, or another year is automatically added to the Contract. Following submittal of a notice of non-renewal, the contract will be terminated at the end of the current ten year term.

If the City finds that the property owner has not complied with the Rehabilitation/Maintenance Plan within the proposed timeline and is in breach of the contract terms, the City may initiate proceedings to cancel the Contract. The property owner may also petition the City for immediate cancellation. A penalty of 12 ½ percent of the property's assessed fair market value will be imposed for a cancelled contract. If you are unable to complete items on your Mills Act scope of work within the proposed timeline due to unforeseen circumstances, please contact City staff as soon as possible to discuss an amendment to the Rehabilitation/Maintenance Plan.

The Mills Act Contract is a legally binding document recorded against the property. The Contract runs with the property and is binding on all future owners. Property owners are encouraged to seek independent counsel on the nature, extent, and duration of their rights and obligations under the contract terms.

What is the Approval Process and How Long Does it Take?

• Application Submittal

- ▶ There is no cap on the number of Mills Act Contracts accepted per year. Applications are accepted on a first-come, first-served basis and must be received no later than August 1. Applications are accepted by appointment only. Please contact Planning Division staff prior to submitting your application to discuss whether your property is a good candidate for a Mills Act Contract and to set up an appointment. Following receipt of the application and required fee, staff will review your application to determine if it is complete and meets the requirements of the Mills Act Program.

• Pre-Approval Inspection

- ▶ After your application has been reviewed, staff will contact you to schedule a pre-approval inspection. The pre-approval inspection is required under State law enabling the Mills Act Program and will include both the exterior and interior of the property. Inspections will be scheduled starting in October. The property owner must be present for the inspection. The inspection provides you and staff time to discuss

the proposed Rehabilitation/Maintenance Plan and timeline for prioritizing critical work items. Depending on the condition of the property, staff may recommend adding or re-ordering work items on the Rehabilitation/Maintenance Plan.

- **City Council Review**

- ▶ After the pre-approval inspection, staff will write a report making a recommendation to the City Council regarding approval of the Mills Act Contract. Mills Act Contracts are presented to City Council as a group at a regularly scheduled public hearing, typically in early December. In considering approval of the Contracts, the City Council places a priority on improvements to critical building elements, including the roof, foundation, and electrical, plumbing and mechanical systems. The City Council's decision on the Mills Act application is final.

- **Contract Execution**

- ▶ After City Council approval of the Contract, the property owner must execute the Historic Property Preservation Agreement. The property owner must sign and have notarized the Agreement with the attached Notary Acknowledgement and return two original copies to the City Clerk. The Mayor, City Attorney, and City Clerk will sign both copies of the Mills Act Contracts. The date on the Contract will be the date that City Council took action on approval of the Contracts. The property owner must then pick up both copies of the signed contracts from the City Clerk and have them recorded at the Orange County Clerk-Recorder Department (located at 12 Civic Center Plaza, Santa Ana, CA 92701) on or before December 31. The property owner is required to pay all fees related to recording. Contracts must be recorded on or before December 31 to go into effect for the following tax year.

- **Property Tax Reduction**

- ▶ Following recording of the Contract, the Office of the Assessor will re-assess the property using the Mills Act Historical Property Value. The Assessor typically re-assesses properties in the spring and summer following recording of the Contract. The property tax reduction may not be reflected in your property tax bill until the fall or winter after the Contract is recorded.

What are the Fees?

The Mills Act Contract application fee is \$1,050, payable to the City of Orange. Following approval of the Contract, an annual processing fee of \$100 is required. The annual fee may be subject to change. All fees are non-refundable.

Congratulations, You Have a Mills Act Contract! What Now?

- **Annual Progress Report**

- ▶ Under the terms of the Contract, the City requires property owners to submit an annual progress report describing the work completed on the property during the previous year. Progress reports are included in the application and available on the City's website and should be mailed to the following address:

City of Orange
Community Development Department
Planning Division
Attn: Ani Mnatsakanyan
300 E. Chapman Avenue
Orange, CA 92866

- **Five Year Inspections**

- ▶ Under the state legislation enabling Mills Act Contracts, the City is required to inspect Mills Act properties once every five years. Inspections will include the exterior and interior of the building, and the property owner must be present at the inspection. Staff will contact you well in advance of the inspection period to set up a time and date for the inspection.

- **Ten Year Rehabilitation/Maintenance Plan**

- ▶ At least 90 days prior to the end of the first ten year term of the Contract, the property owner is required to submit a Rehabilitation/Maintenance Plan for the next ten year term of the Contract. Please contact staff in advance of the ten year anniversary of your Contract to discuss the remaining critical work items for your historic property.

WHEREAS, it is the City's expectation that the Owner will use the property tax savings accrued under this Agreement for improvements to the "Historic Property" (as defined below). To that end, as a condition of renewal, the City will require a revised schedule of improvements every five years showing a plan for improvements commensurate with the tax savings; and

WHEREAS, the City and Owner for their mutual benefit, now desire to enter into this Agreement to limit the use of the Historic Property to prevent inappropriate alterations, to ensure that characteristics of historical significance are preserved and maintained in an exemplary manner, and to carry out the purposes of Article 12 (commencing with Section 50280) of Chapter 1, Part 1, Division 1 of Title 5 of the California Government Code and Article 1.9 (commencing with Section 439) of Chapter 3, Part 2 of Division 1 of the California Revenue and Taxation Code.

AGREEMENT

NOW, THEREFORE, both Owner and City, in consideration of the mutual promises, covenants and conditions contained herein and the substantial public benefits to be derived therefrom, do hereby agree as follows:

1. AGREEMENT SUBJECT TO GOVERNMENT CODE SECTIONS 50280 50290. This Agreement is made pursuant to California Government Code Sections 50280 through 50290 and Article 1.9 (commencing with Section 439) of Chapter 3, Part 2 of Division 1 of the California Revenue and Taxation Code and is subject to all of the provisions of those statutes. 2. **ASSESSMENT OF VALUATION.** Property tax relief afforded to Owner pursuant to Chapter 3, Part 2 of Division 1 of the California Revenue and Taxation Code will be determined solely by the Orange County Assessor. City makes no representations regarding the actual tax savings any person may realize by entering into this Agreement.
3. **PRESERVATION OF PROPERTY.** Owner agrees to preserve and maintain the Historic Property and its character defining features. Character defining features include, but are not necessarily limited to, the general architectural form, style, materials, design, details, mass, roof line and other aspects of the appearance of the exterior of the Historic Property.

The Secretary of the Interior's Standards for Rehabilitation (Exhibit B) and City's minimum maintenance standards (Exhibit C), attached hereto and incorporated herein by reference, shall constitute the minimum standards and conditions for preservation, restoration, and rehabilitation of the Historic Property, and shall apply to the Historic Property throughout the term of this Agreement. Owner shall, where necessary, restore and rehabilitate the Historic Property to conform to the rules and regulations of the Office of Historic Preservation of the California Department of Parks and Recreation, the U.S. Secretary of the Interior's Standards for Rehabilitation, the State Historical Building Code, the City of Orange's Old Towne Design Standards.

As consideration for the City to enter into this Agreement, the Owner agrees, at its own cost and expense, to complete, or cause to be completed, the work or improvements described in Exhibit D within the times established therefor in Exhibit D. The Owner shall secure any and all permits which may be required by the City or any other governmental agency affected by the construction of the work or improvements. The Owner accepts responsibility for and shall be responsible for identification of and compliance with all applicable laws pertaining to the construction and installation of the work or improvements described on Exhibit D and the contract or contracts pertaining thereto. The Owner will neither seek to hold nor hold the City liable for, and will hold the City harmless with respect to, any consequences of any failure by the Owner to correctly determine the applicability of any such requirements to any contract he/she/they enter into.

In addition to the foregoing, the Owner hereby agrees to and will comply with all applicable local, state, and federal statutes, regulations, rules, codes (including building codes), ordinances, and other requirements of governmental authorities now or hereafter in effect ("Applicable Laws") pertaining to the use of the Historic Property. Owner must give the City immediate written notice on Owner's becoming aware that the use or condition of the Historic Property is in violation of any Applicable Laws.

4. **INSPECTIONS AND ANNUAL REPORTING.** Owner agrees to permit the periodic examination, by prior appointment, of the interior and exterior of the Historic Property by the County Assessor, the State Department of Parks and Recreation, the State Board of Equalization and the City as may be necessary to determine Owner's compliance with the terms and provisions of this Agreement. Owner agrees to provide the City with a report as to the status of the Historic Property annually within thirty (30) days following each anniversary of the Effective Date of this Agreement. The annual report shall provide substantiation reasonably satisfactory to the City's Historic Preservation Planner or in his/her absence the Director of Community Development that Owner has completed the work required by Exhibit D for the twelve month period preceding each anniversary of this Agreement, and whether the Historic Property has undergone any changed conditions, and whether Owner has received any public funds from other sources designated for the preservation or maintenance of the Historic Property and from whom such funds have been received.
5. **PAYMENT OF ANNUAL INSPECTION FEE.** The Owner shall pay the City an annual inspection fee for each required inspection of the Historic Property for the purpose of covering the reasonable cost of performing required inspections as work is completed. Said fee shall be payable to the City of Orange and shall be remitted to the Planning Division upon demand and prior to the required inspection. The amount of the annual inspection fee shall be established by the City and may be revised from time to time, which fee shall be set forth in the City's Master Schedule of Fees and Charges.
6. **TERM.** The term of this contract is for a period of ten (10) years. The initial term of this Agreement shall be from , 20__ to and including , 20__.
7. **AUTOMATIC RENEWAL.** On each yearly anniversary of the Effective Date of this Agreement (hereinafter referred to as the "renewal date"), one year shall be added automatically to the initial term of this Agreement, unless notice of non-renewal is given as provided in this Agreement.
8. **EFFECT OF OUTSIDE FUNDS.** If Owner receives funds designated for the preservation or maintenance of the Historic Property from any other public agency, this Agreement shall not be renewed except upon the vote of the City Council.
9. **NOTICE OF NONRENEWAL.** If in any year either the Owner or City desires not to renew this Agreement, that party shall serve written notice of nonrenewal on the other party in advance of the annual renewal date. Unless the notice is served by Owner to City at least ninety (90) days, or by City to Owner at least sixty (60) days prior to the renewal date, one year shall automatically be added to the term of the Agreement. Within fifteen (15) days of receipt by Owner of a notice of nonrenewal from the City, Owner may make a written protest. Upon receipt of such a protest the City Council shall set a hearing prior to the expiration of the renewal date of this Agreement or toll the renewal date until such hearing can reasonably held. Owner may furnish the City Council with any information which the Owner deems relevant; and shall furnish the City Council with any information it may require. At any time prior to the renewal date, City may withdraw its notice of nonrenewal.

10. EFFECT OF NOTICE NOT TO RENEW. If in any year either party serves notice of intent not to renew this Agreement, this Agreement shall remain in effect for the balance of the period remaining since the original execution date if not yet renewed, or the last renewal date of the Agreement, as the case may be.
11. UPDATE OF IMPROVEMENT SCHEDULE. At least ninety (90) days prior to the tenth (10th) anniversary of the Effective Date of this Agreement, and ninety (90) days prior to every tenth (10th) anniversary thereafter, Owner shall provide City with an updated schedule of improvements and maintenance items for the City's review and approval. Such updated schedule shall contain a list of proposed improvements and/or revisions to be accomplished during the next succeeding ten (10) years of the Agreement and a schedule for the construction of such improvements. Within thirty (30) days after the City's receipt of said updated schedule, the City's Director of Community Development shall either approve or disapprove such proposed schedule of proposed improvements, or shall respond in writing by stating what further information, if any, the City reasonably requires in order to determine the request complete and determine whether or not to grant the requested approval. Upon receipt of such a response, the Owner shall promptly furnish to the City such further information as may be reasonably requested.

From time to time, at the request of the City's Director of Community Development (or his/her authorized representative), the Owner shall meet and confer with the City's Historic Preservation Planner or in his/her absence the Director of Community Development (or his/her designee) regarding matters arising hereunder with respect to the work and improvements and the progress in constructing the same.

12. INDEPENDENT ADVICE OF COUNSEL. The Owner, and each of them, represent and declare that in executing this Agreement he/she/they have relied solely upon hi/her/their own judgment, belief and knowledge, and the advice and recommendations of his/her/their own independently selected counsel, concerning the nature, extent and duration of his/her/their rights and claims, and that he/she/they have not been influenced to any extent whatsoever in executing the same by the City or by any person representing the City.
13. FURNISHING OF INFORMATION. Owner shall furnish City with any information City shall require in order to enable City to determine eligibility of the Historic Property to be classified as a Historic Property.
14. ENFORCEMENT OF AGREEMENT. In lieu of and/or in addition to any provisions to cancel the Agreement as referenced herein, City may institute an action at law or equity to seek specific performance of the terms of this Agreement, or to cure, correct or remedy any breach of the terms of this Agreement, to recover damages for any breach, or to obtain any other remedy consistent with the purpose of this Agreement. In the event of a default under the provisions of this Agreement by Owner, City shall give written notice to Owner specifying the alleged grounds for the default. Said notice shall be given by registered or certified mail addressed to the address stated in this Agreement. If such violation(s) is not corrected to the reasonable satisfaction of the City within thirty (30) days from the receipt of the notice of violation, or within such reasonable time as may be required to cure the breach or default, provided that acts to cure, correct or remedy such breach or default are commenced within thirty (30) days and thereafter diligently pursued to completion, then City may, without further notice, institute legal action.

Except as otherwise expressly stated in this Agreement, the rights and remedies of the City are cumulative, and the exercise by the City of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the Owner. Any failure or delay by the City in asserting any of its right and remedies as to a breach of any of the covenants, conditions or agreements set forth herein shall not operate as a waiver of such breach or of any such rights or remedies, or deprive the City of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce such rights or remedies. A waiver by the City of a breach shall not be construed as a waiver of any succeeding breach of the same or other covenants, conditions or agreements set forth in this Agreement.

15. CANCELLATION. City may cancel this Agreement if City determines Owner has breached any of the conditions or covenants of this Agreement or has allowed the Historic Property to deteriorate to the point that it no longer meets the standards for a qualified historical property. City may also cancel this Agreement if it determines Owner has failed to restore or rehabilitate the Historic Property in the manner specified in this Agreement.
16. NOTICE OF CANCELLATION. This Agreement cannot be canceled until after City has given notice and has held a public hearing as required by Government Code Section 50285. Notice of the hearing shall be mailed to the last known address of each owner of property within 300 feet of the Historic Property and shall be published in accordance with Government Code Section 6061.
17. CANCELLATION FEE. If City cancels this Agreement in accordance with Section 15 above, Owner shall pay a cancellation fee of twelve and one-half percent (12-1/2%) of the current fair market value of the Historic Property at the time of cancellation. The current fair market value shall be determined by the County Assessor as though the Historic Property were free of the restriction on the Historic Property imposed pursuant to this Agreement. The cancellation fee shall be paid to the County Auditor at such time and in such manner as the County Auditor shall prescribe.
18. NOTICES. All notices required by or provided for in the Agreement shall be given in writing and may be mailed or delivered in person at the address of the respective parties as specified below or at any other address as may be later specified by the parties. Deposit of notice in the mail, postage prepaid, shall be deemed receipt of the notice.

City of Orange _____
Attn.: City Manager _____
300 E. Chaman Avenue Orange, CA 92866
Orange, Ca 92868

19. NO COMPENSATION. Owner shall not receive any payment from the City in consideration of the obligations imposed under this Agreement. The Owner acknowledges and agrees that the consideration for the execution of this Agreement is the substantial public benefit to be derived therefrom and the advantage that will accrue to Owner as a result of the effect upon the assessed value of the Historic Property on account of the restrictions on the use and preservation of the Historic Property.

20. REMEDY IF AGREEMENT HELD NOT ENFORCEABLE. In the event it is finally determined this Agreement does not constitute an enforceable restriction within the meaning of the applicable provisions of the California Government Code and the California Revenue and Taxation Code, except for an unenforceability arising from the cancellation or nonrenewal of this Agreement, then this Agreement shall be null and void and without further effect and the Historic Property subject to this Agreement shall from that time be free from any restriction whatsoever under this Agreement without any payment or further act of the parties to this Agreement.
21. ACQUISITION OF PROPERTY BY EMINENT DOMAIN; CANCELLATION OF CONTRACT; INAPPLICABILITY TO DETERMINATION OF VALUE. In the event that the Historic Property is acquired in whole or part by eminent domain or other acquisition by any entity authorized to exercise the power of eminent domain, and the acquisition is determined by the City to frustrate the purpose of the Agreement, the Agreement shall be cancelled and no fee shall be imposed under Section 17, above. The Agreement shall be deemed null and void for all purposes of determining the value of the Historic Property so acquired. If, subsequent to the filing of an action in eminent domain, the proposed condemnation is abandoned by the condemning agency, the restrictions on the use of the Historic Property included in this Agreement shall, without further agreement of the parties, be reinstated and the terms of this Agreement shall continue in full force and effect.
22. EFFECT OF AGREEMENT. None of the terms, provisions or conditions of this Agreement shall be deemed to create a partnership between the parties hereto and any of their heirs, successors or assigns, nor shall such terms, provisions or conditions cause the parties hereto to be considered joint venturers or members of any joint enterprise.

SECRETARY OF THE INTERIOR'S STANDARDS FOR REHABILITATION

1. A property shall be used for its historic purpose or be placed in a new use that requires minimal change to the defining characteristics of the building and its site and environment.
2. The historic character of a property shall be retained and preserved. The removal of historic materials or alteration of features and spaces that characterize a property shall be avoided.
3. Each property shall be recognized as a physical record of its time, place, and use. Changes that create a false sense of historical development, such as adding conjectural features or architectural elements from other buildings, shall not be undertaken.
4. Most properties change over time; those changes that have acquired historic significance in their own right shall be retained and preserved.
5. Distinctive features, finishes, and construction techniques or examples of craftsmanship that characterize a historic property shall be preserved.
6. Deteriorated historic features shall be repaired rather than replaced. Where the severity of deterioration requires replacement of a distinctive feature, the new feature shall match the old in design, color, texture, and other visual qualities and, where possible, materials. Replacement of missing features shall be substantiated by documentary, physical, or pictorial evidence.
7. Chemical or physical treatments, such as sandblasting, that cause damage to historic materials shall not be used. The surface cleaning of structures, if appropriate, shall be undertaken using the gentlest means possible.
8. Significant archeological resources affected by a project shall be protected and preserved. If such resources must be disturbed, mitigation measures shall be undertaken.
9. New additions, exterior alterations, or related new construction shall not destroy historic materials that characterize the property. The new work shall be differentiated from the old and shall be compatible with the massing, size, scale, and architectural features to protect the historic integrity of the property and its environment.
10. New additions and adjacent or related new construction shall be undertaken in such a manner that if removed in the future, the essential form and integrity of the historic property and its environment would be unimpaired.
