RECOGNITION OF ASSOCIATION

SECTION 1. Pursuant to the provisions of the Employer-Employee Relations Resolution No. 3611 of the City of Orange and amendments hereto, the City of Orange, hereinafter referred to as "City", for the purpose of meeting its obligations under the Meyers-Milias-Brown Act (Government Code Section 3500 et. seq.), Employer-Employee Relations Resolution No. 3611 and this Memorandum of Understanding, hereinafter referred to as "MOU", has recognized the City of Orange Police Association, hereinafter referred to as "Association", as the majority representative of the employee classifications listed within Appendix A. As majority representative, the Association is empowered to act on behalf of all employees who hold positions in classifications covered by this MOU whether or not they are individually members of the Association. The classifications in Appendix A shall be in a bargaining unit, hereafter referred to as the "Police Management Association".

The City and the Association have reached agreement on an updated Employer-Employee Labor Relations Resolution, which shall be adopted by City Council at a future date once all City bargaining groups have had an opportunity to review.

SECTION 2. Any modification or interpretation of the rights of the parties concerning recognition set forth above shall only be established in accordance with Federal and/or State law.

ARTICLE II
NON-DISCRIMINATION

SECTION 1. The parties mutually recognize and agree to protect the rights of all employees hereby to join and/or participate in protected Association activities or to refrain from joining or participating in protected activities in accordance with the Employer-Employee Relations Resolution and Government Code Sections 3500 et. seq.

SECTION 2. In accordance with Federal and State law, the City and the Association agree that they shall not discriminate against any employee on the basis of actual or perceived race, color, national origin, religion, sex, gender, gender identity, physical or mental disability, medical condition (cancer-related or genetic information), ancestry, marital status, age, sexual orientation, citizenship, pregnancy, childbirth or related medical condition, status as a covered veteran, or service in the uniformed services (as defined by the Uniformed Services Employment and Reemployment Rights Act of 1994) or any other lawfully protected class. The City and the Association shall reopen any provision of this MOU for the purpose of complying with any final order of a Federal or State agency or court of competent jurisdiction requiring a modification or change in any provision or provisions of this MOU in compliance with Federal or State anti-discrimination laws.

ARTICLE III
SALARIES

SECTION 1. BASIC COMPENSATION PLAN. A basic compensation plan is established for all employees covered by this MOU.

SECTION 2. SALARIES. Salaries and their effective dates for employees covered by this MOU are listed in Appendix A. The salary and wage schedules shall constitute the basic compensation plan consisting of seven (7) steps (eight (8) steps for Police Sergeant and Police Lieutenant) or rates of pay in each range. Each step shall be approximately 5.0% above the preceding step, except Step G for Police Captain and Step H for Police Lieutenant and Police Sergeant shall be approximately 4.0% above the prior step. The respective ranges shall be identified by number and the steps by the letters A to G (A to H for Police Sergeant and Police Lieutenant).

SECTION 3. ADMINISTRATION OF BASIC COMPENSATION PLAN. The compensation ranges and steps contained in the monthly salary schedule in the appendix hereof are monthly compensation rates.

For all employees, the hourly rate of pay shall be the monthly rate times twelve (12) divided by 2,080 annual hours.

In determining the hourly rate as herein provided, compensation shall be made to the nearest one-half (½) cent.

There shall be a top-step to top-step base salary increase of at least fifteen (15.0%) between Police Officer and Police Sergeant, Police Sergeant and Police Lieutenant, and Police Lieutenant and Police Captain.

SECTION 4. BEGINNING RATES. A new employee of the City shall be paid the rate shown in Step A in the range assigned to the classification for which the employee has been hired, except that upon the request of the Police Chief, and with the authorization of the Human Resources Director, such employee may be placed at any step in the range depending upon the employee's qualifications.

SECTION 5. SERVICE. The word service, as used in this MOU, shall be defined to mean continuous, full-time service in the employee's present classification, service in a higher classification, or service in a classification allocated to the same salary range and having generally similar duties and requirements.

A lapse of service by any employee for a period of time longer than thirty (30) days by reason of resignation or discharge eliminates the accumulated length of service time of such employee for the purpose of this MOU. Employees re-entering the service of the City shall be considered as a new employee, except that the employee may be re-employed within one (1) year and placed in the same salary step in the appropriate compensation range as the employee was at the time of separation of employment.

SECTION 6. ADVANCEMENT WITHIN SALARY RANGES. The following regulations shall govern salary advancement:

- A. Merit Advancement. An employee shall be considered for advancement through the salary range yearly upon the employee's appointment date. To receive the merit increase, an employee must demonstrate meritorious and efficient service, and continued improvement by the employee in the effective performance of the employee's duties. A merit increase shall become effective on the first day of the pay period following the employee's appointment date, unless a later date is specifically determined by the Chief of Police or designee.
 - 1) The Police Chief, or a duly authorized designee, shall file with the Human Resources Director, a Personnel Action Form and a completed Performance Evaluation form recommending the granting or denial of the merit increase and supporting such recommendation with specific reasons. If denied by the Police Chief or Human Resources Director, the reason for denial will be provided to the employee.

- B. Special Merit Advancement. When an employee demonstrates exceptional ability and proficiency in the performance of duties, the Police Chief may recommend to the Human Resources Director, with a completed performance evaluation, that said employee be advanced to a higher pay step without regard to the minimum length of service provisions contained in this MOU. The Human Resources Director may, on the basis of the Police Chief's recommendation, approve and effect such an advancement.

- C. Length of Service Required When Advancement is Denied. When an employee is not approved for advancement to the next higher step, the employee may be reconsidered for such advancement at any subsequent time, but not later than twenty-six (26) pay periods. This reconsideration shall follow the same steps and shall be subject to the same action as provided in Section 6A.

SECTION 7. REDUCTION IN SALARY STEPS. Any employee who is being paid a salary step higher than Step A may be reduced by one or more steps for just cause upon the recommendation of the Police Chief with the approval of the Human Resources Director. A proposed reduction in an employee's salary step is subject to Skelly/due process.

SECTION 8. PROMOTIONAL SALARY ADVANCEMENT. When an employee is promoted to a position in a higher classification, the employee may be assigned to Step A in the appropriate range for the higher classification; provided that if such employee is already being paid at a rate equal to or higher than Step A, the employee may be placed in the step in that appropriate salary range as will grant the employee an increase of at least five percent (5.0%), but no more than fifteen percent (15.0%), at the discretion of the Police Chief and Human Resources Director, but is not to exceed the top of the salary range.

SECTION 9. DEMOTION. When an employee is demoted for disciplinary reasons to a position in a lower classification, the new salary rate shall be assigned to the step in the new salary range for the lower classification that produces at least a 5.0% base salary reduction.

SECTION 10. REASSIGNMENT OF COMPENSATION RANGES. Any employee who is employed in a classification which is reassigned to a different pay range from that previously assigned shall be retained in the same salary step in the new range as the employee has previously held in the prior range, and shall retain credit for length of service in such step toward advancement to the next higher step; provided, however:

- A. That if such retention shall result in the advancement of more than one (1) step, the Human Resources Director may, at the time of reassignment, place the employee in a step which will result in an increase of only one (1) step.
- B. That if the reassignment shall be to a lower compensation range, the top step of which shall be lower than the existing rate of pay at the time of reassignment, the employee shall continue to be paid at the existing rate of pay until such time as the new classification is assigned to a compensation schedule which will allow for further salary advancement, or until such time as the employee is promoted to a position assigned to a higher compensation range.
- C. That if the reassignment is to a lower compensation range, the top step of which is higher than the existing rate of pay of the employee, the employee shall be placed on that step of the lower compensation range, which is equivalent to the employee's existing rate of pay. If there is no equivalent rate of pay, the employee shall be placed on the next highest step. The employee shall retain credit for length of service previously acquired in such step toward advancement to the next higher step.

ARTICLE IV

WORKING OUT OF CLASSIFICATION

SECTION 1. The City may work employees out of classification for up to four (4) consecutive working days without additional compensation. On the fifth (5th) consecutive working day the employee works out of classification and for each additional consecutive working day the employee works out of classification, the employee shall be paid additional compensation at Step A of the classification to which the employee is assigned or, if Step A does not produce at least a five percent (5.0%) increase in compensation, such step that provides the employee a minimum of a five percent (5.0%) compensation increase, not to exceed the top of the range.

SECTION 2. Working out of classification assignments shall only be made for positions vacated due to illness or an approved leave of absence. Working out of classification assignments shall not be made for positions vacated due to resignations, terminations, and/or demotions. To qualify for working out of classification pay, the employee must be performing all the significant duties of the higher-level position.

SECTION 3. The Police Chief shall assign the employee to work out of classification but shall notify the Human Resources Director prior to the assignment.

ARTICLE V
WORK WEEK

The regular work week for sworn personnel assigned to supervise patrol officers, excluding any and all special assignments, shall be three (3) consecutive shifts of twelve and one half consecutive hours (12.5) (plus one additional ten (10) consecutive hour shift that precedes or follows the employee's regularly assigned first or last work shift of the week, during each twenty-eight (28) day Federal Labor Standards Act work period) (3/12.5 Schedule). All other employees covered by this MOU shall work forty (40) hours per week consisting of four (4) consecutive shifts of ten (10) consecutive hours (4/10 Schedule) and three (3) consecutive days off, provided that, under special circumstances, an employee and the department may mutually agree to a different schedule.

ARTICLE VI
OVERTIME (COMPENSATORY TIME)

SECTION 1.

- A. **GROSS RATE.** As used in this MOU, whenever the term "Gross rate" or "Gross rate of pay" is used, it shall refer to employee's monthly base rate of pay, plus all premium pay, special assignment pay and flexible benefits plan opt out or cash back to which the employee is entitled, divided by the employee's regularly scheduled hours (i.e., 173.33/month).
- B. **NET RATE.** As used in this MOU, whenever the term "Net rate" or "Net rate of pay" is used, it shall refer to employee's monthly base rate of pay, plus all premium pay and special assignment pay, but NOT including flexible benefits plan opt out or cash back to which the employee is entitled, divided by the employee's regularly scheduled hours (i.e., 173.33/month).

SECTION 2: COMPENSATORY TIME. All overtime earned by eligible employees shall be accumulated at one and one-half times (1.5) the employee's Gross rate of pay in cash or compensatory time. Eligible employees are defined as Police Sergeants, Police Records Manager, and Police Communications Manager.

SECTION 3. POLICE LIEUTENANT OVERTIME. If a Police Lieutenant is assigned to a task force, special enforcement, or event funded by the State, Federal government or private entity, and overtime worked under that program or event is paid and reimbursable at a rate of time-and-one-half, the City will pay the Police Lieutenant at that rate. The time-and-one-half rate is not applicable unless the outside contract allows for time-and-one-half and the City is reimbursed fully for that cost.

SECTION 4. PAYMENT UPON TERMINATION OF EMPLOYMENT. Employees shall be entitled to receive payment for all accumulated compensatory time upon their termination at the employee's Gross rate of pay.

SECTION 5. USAGE OF COMPENSATORY TIME PREVIOUSLY EARNED.

- A. Accumulated compensatory time off may be taken by an employee upon reasonable notice and prior approval of the Police Chief or a duly authorized designee.
- B. Accumulated compensatory time off shall be taken off by an employee when directed by the Police Chief; provided, however, that the Police Chief shall give fourteen (14) days prior notice to the date accumulated compensatory time off is to be taken. Compensatory time off upon direction of the Police Chief shall be not less than ten (10) hours.
- C. In directing an employee to take accumulated compensatory time off, the Police Chief will, as far as practicable, attempt to accommodate employee convenience to the degree possible considering the operational requirements of the Police Department.

SECTION 6. CALL BACK COMPENSATION. If employees are required to report back to work after completing a normal work shift and have left the City premises and/or work location, or when on a regular day off or any other day when they are not regularly scheduled to work, they shall be compensated in cash or in compensatory time off for actual hours of work with a minimum of three (3) hours call back compensation, regardless of whether the employee works less than three (3) hours. Compensation shall be at one and one-half (1.5) the Gross rate of pay. Entitlement to call back compensation shall provide that an employee who is called back shall be regarded as having commenced actual hours of work thirty (30) minutes prior to arriving at the designated work location.

This provision shall not apply to employees who are continuing on to a regularly scheduled shift immediately after the call back, provided that the regularly scheduled hours of work may not be adjusted within forty-eight (48) hours prior to the time they are scheduled to commence without the consent of the employee.

This Article shall also apply when an employee has been required to appear in court while off duty.

SECTION 7. APPLICATION OF OVERTIME COMPENSATION. Overtime Compensation shall apply only to the classifications of Police Sergeant, Police Records Manager, and Police Communications Manager covered herein, when duly authorized in advance by the Police Chief or a duly authorized designee.

SECTION 8. DEFINITION. Overtime work is defined as that authorized time worked in excess of the regular workday and/or work week, except that work amounting to less than fifteen (15) minutes in excess of an employee's regular workday shall not be considered overtime for any purpose.

SECTION 9. OVERTIME COMPENSATION. Overtime work shall be paid at one and one-half times the employee's Gross rate of pay. Only time actually worked shall count in the computation of overtime, except that time off due to excused absence for holidays, accumulated compensatory time off (CTO), vacation and sick leave shall be counted toward the computation of overtime. Travel time to and from activities designated under this Article does not qualify for overtime.

SECTION 10. PRE-BRIEFING COMPENSATION. Police Sergeants, regularly assigned to the Field Services Division – Patrol, shall be eligible to receive compensation for two and one-half (2.5) hours of pay for time spent on pre-shift duties. Compensation shall be at one and one-half (1.5) the Gross rate of pay, per pay period.

SECTION 11. All earned overtime compensation for employees described in this Article may be credited to CTO or paid in cash at the employee's option. Payment shall be made at the pay period following the exercise of the option. All CTO may be accumulated up to a maximum of eighty (80) hours. All accumulated CTO accrued in excess of eighty (80) hours at year-end shall automatically be paid on the first pay period of the new calendar year.

SECTION 12. Employees shall be entitled to receive payment for accumulated CTO upon their termination at the employee's Gross rate of pay.

SECTION 13. Overtime work shall not apply to the earning of employee benefits such as retirement, holidays, vacation accrual, sick leave accrual, employee insurance benefits or toward the completion of a probationary period or to progression within a salary rate range.

SECTION 14. Police Sergeant, Police Records Manager, and Police Communications Manager covered by this Agreement shall be entitled to receive premium compensation for attendance at duly authorized department and/or division staff meetings for all required hours of attendance at such meetings during "off duty" hours, with a minimum of three (3) hours at one and one-half times their Gross rate of pay.

SECTION 15. Whenever two (2) or more premium compensation rates or overtime rates may appear to be applicable to the same hour or hours worked by the employees described in this Article, there shall be no pyramiding or adding together of such premium or overtime rates, and only the higher applicable rate shall apply.

SECTION 16. In the event of circumstances beyond the City's control, such as acts of God, fire, flood, insurrection, riot, national emergency or other similar circumstances, employees covered hereunder shall be entitled to only a straight time rate for non-FLSA overtime worked under such circumstances, i.e., time for which premium overtime compensation is not mandated by the Fair Labor Standards Act (FLSA). The Governor or his designee must declare a state of emergency for this section to apply.

SECTION 17. ADMINISTRATIVE LEAVE. Notwithstanding Articles VI, VII, and the above sections in Article VIII, employees classified as Police Captain or Police Lieutenant shall be provided no overtime compensation except as follows:

- A. Each January 1st, regular full-time employees classified as Police Captain or Police Lieutenant shall be provided with eighty (80) hours of paid administrative leave. Employees promoted after January 1st shall receive a prorated portion of the administrative leave during their first calendar year in their promoted position;
- B. Administrative leave shall be charged at the rate of ten (10) hours for each day an employee is absent; in any instance involving use of a fraction of a day's administrative leave, the minimum charge to the employee's administrative leave account shall be one-quarter (¼)

hour, while additional actual absence of over one-quarter ($\frac{1}{4}$) hour shall be charged to the nearest one-half ($\frac{1}{2}$) hour;

- C. Usage of administrative leave shall be at the convenience of the City with the approval of the Police Chief;
- D. Administrative leave shall be used in the calendar year in which it accrues;
- E. Unused administrative leave at the end of the calendar year shall be deposited in the employee's Retirement Health Savings Plan account.

ARTICLE VII COURT TIME

SECTION 1. The parties agree to incorporate by reference existing departmental policies and written procedures covering the subject of court time.

SECTION 2. "STANDBY" OR "ON-CALL". Whenever an employee has been placed on "standby" or an "on-call" status while off-duty, including for telephonic testimony, in response to a subpoena relating to activities arising out of the course and scope of employment, the employee shall receive three hours compensation at the employee's Net rate of pay in cash payment or CTO (at the straight time rate). This provision shall be applicable regardless of the actual duration of being "on-call" and/or shift start time.

"On-Call" Compensation:

- A. "On-call" is for three (3) hours, regardless of the actual duration of being "on-call" for each morning session (0800-1230) and an additional three (3) hours for each afternoon session (1230-1700).
- B. If an employee is notified that the "on-call" status has been trailed, modified, or canceled by 1700 hours the day prior to the "on-call" day, no compensation is authorized.
- C. Employees called to court while "on-call" during morning/afternoon hours will receive overtime for the actual hours worked plus thirty (30) minutes travel time or three (3) hours, whichever is greater.
- D. If overtime is paid, then standby pay is not compensated.
- E. In the event an employee has multiple "on-call" subpoenas, during the same "on-call" session, only one (1) "on-call" subpoena OR one (1) overtime will be compensated. This will include an employee already in court or assigned to an overtime assignment.
- F. Employees called to court in the afternoon, while "on-call" in the morning, will receive "on-call" compensation for the morning and overtime for the actual time worked, plus thirty (30) minutes travel time or three (3) hours, whichever is greater in the afternoon.

- G. If an employee is required to return to the court after a court authorized break and/or the court designated lunch period, the employee will be compensated at the employee's Gross rate for the break and/or court designated lunch period. This section will only apply to the same subpoena.
- H. In the event an employee is excused from court and subject to recall, a new subpoena will need to be issued to be eligible for any compensation.

SECTION 3. COURT APPEARANCES WHILE OFF-DUTY: Employees required to appear before the court during "off duty" hours shall receive compensation for the duration of the court appearance plus thirty (30) minutes of travel, or three (3) hours, whichever is greater. Court appearance time shall be paid at the one and one-half (1.5) times the Gross rate, or taken as CTO, at the employee's option.

ARTICLE VIII

SECTION 1.

- A. Special Weapons and Tactics (SWAT) Team. Police Lieutenants and Police Sergeants assigned to the SWAT team shall receive an additional \$200.00 per month in addition to their regular salary, for the duration of this assignment. An assignment to the SWAT team is not considered permanent and said assignment to or removal from this unit is solely based upon the discretion of the Police Chief or a duly authorized designee. It is understood that the department does not need cause or grounds for the removal of any employee from the SWAT team. Such removal is not considered to be a punitive action, and is not subject to appeal. This compensation is not pension reportable pursuant to CalPERS Regulations.
- B. Special Assignment.

- C. At the end of such leave, if the employee desires additional leave, written application must be made to the Human Resources Director, stating the reasons why the additional leave is required and why it would be in the best interests of the City to grant. If in the Human Resources Director's opinion such additional leave is merited, and would still preserve the best interests of the City, the employee may approve same for a period not to exceed an additional six (6) months. If the employee does not return to work before or at the end of the leave of absence or any extension thereof, the employee shall be terminated.

a) Employees with sick leave balance of less than 352 hours, shall fall under the following payout provision:

Employees who use less than three (3) days (30 hours) of sick leave during the current calendar year period shall be eligible to cash out, or credit to their accumulated vacation, sixteen (16) hours of their accumulated sick leave. Sixteen (16) hours will be deducted from their accumulated sick leave bank. Effective each December, for the following calendar accruals, an employee who wishes to avail themselves of the right to convert unused sick leave to cash must complete a form with the City indicating their irrevocable designation to do so. This form need not be completed if the employee elects to convert to vacation leave. However, no hours will be converted to vacation if said conversion places the employee's vacation bank over the maximum allowable accrual. Conversion of sick leave to vacation shall occur in the first pay period of January based upon sick leave usage during the previous calendar year. If no designation form is filed, the hours will automatically remain in the employee's sick leave accumulation account. Sick leave payouts in cash shall occur in the last pay period in December each year.

b) Employees with sick leave balances of 352 hours or more, shall fall under the following payout provisions:

A full-time employee may convert unused sick leave from the calendar year (maximum 96 hours) to cash or accumulated vacation at a rate of fifty percent (50%) of their current pay rate. For example, an employee who uses no sick leave during the calendar year may forfeit that ninety-six (96) hours of accumulated sick leave in exchange for forty-eight (48) hours of pay or

accumulated vacation. Effective each December, for the following calendar accruals, an employee who wishes to avail themselves of the right to convert unused sick leave to cash must complete a form with the City indicating their irrevocable designation to do so. This form need not be completed if the employee elects to convert to vacation leave. However, no hours will be converted to vacation if said conversion places the employee's vacation bank over the maximum allowable accrual. If no designation form is filed, the hours will automatically remain in the employee's new sick leave accumulation account. Sick leave payouts in cash shall occur in the last pay period in December each year.

- c) Upon service retirement or industrial disability retirement from employment with the City and entering CalPERS as a retired annuitant, an employee with 20 years of service and 1,000 or more sick leave hours shall receive 60% sick leave conversion into the employee's Retirement Health Savings Plan (RHSP) with no hours cap. Employees with 25 years of service and 1,000 or more sick leave hours shall receive 70% sick leave conversion into the employee's RHSP with no hours cap. Years of service shall be defined in the same manner as Longevity within Article VIII, Section 4. Employees with fewer than 1,000 hours of sick leave shall receive pay for fifty percent (50%) of all unused sick leave hours at the employee's Net rate up to 352 hours.
- d) Upon separation of employment from the City for any reason other than retirement as noted in the preceding paragraph, an employee shall receive no pay for the first 100 hours (0 to 100 hours) of accrued sick leave, but shall receive twenty-five percent (25%) pay for up to the next 100 hours, (101 to 200 hours) of accrued sick leave and fifty percent (50%) pay of any remaining accrued sick leave up to 152 hours (201 to 352 hours). Payment shall be at the employee's Net rate.
- e) Upon the death of an employee while employed by the City, 100% of all accrued sick leave benefits up to 352 hours shall be paid to the beneficiary of the deceased employee. Payment will be made when proper authorization for payment is received from the estate of the decedent employee. Payment shall be at the employee's Net rate.

SECTION 5. BEREAVEMENT LEAVE. Paid bereavement leave is provided for the death or critical illness where death appears to be imminent of the employee's immediate family. "Immediate family" as defined for the purposes of this Section shall be limited to: (1) Any relation by blood, marriage or adoption, who is a member of the employee's household (living at the same address); or (2) Any parent, substitute parent, parent-in-law, grand parent, aunt, uncle, spouse, child, brother, sister, domestic partner, the employee's, spouse's or domestic partner's child, grandchild, parent, substitute parent, grandparent, sibling, aunt, or uncle of the employee, regardless of residence. Regular full-time employees shall be entitled to take up to three (3) days of paid City bereavement leave per incident. An additional two (2) days of leave may be taken from existing leave accruals, for a maximum of five (5) days total per incident. An employee on bereavement leave shall inform the immediate supervisor of the fact and the reasons as soon as

possible. Failure to inform an immediate supervisor, within a reasonable period of time, may be cause for denial of leave with pay for the period of absence. The City may require proof of the relationship as a condition of payment of bereavement leave.

SECTION 6. WORKERS' COMPENSATION. Workers' Compensation benefits will be provided as follows:

- A. Safety Personnel: Salary continuance for safety personnel covered by Labor Code Section 4850 will be provided in accordance with current laws and regulations.
- B. Non-Sworn Personnel: Upon acceptance of a work-related injury or illness claim, non-sworn employees shall be granted temporary disability leave in accordance with the current State laws and regulations. For up to 365 days if a City employee is entitled to receive temporary disability payments, the City will contribute additional compensation to allow the employee to receive 100% of their regular rate of pay, or provide full salary continuance, for the first thirty (30) days starting from the date of injury. The employee will then receive eighty percent (80%) of salary for up to an additional 335 calendar days. Temporary disability leave in excess of 365 days will be provided subject to current State regulations and the regular temporary disability Workers' Compensation rate will apply.
- C. Modified Light Duty Work Programs. An employee may be eligible for a temporary modified light duty assignment while recovering from an injury or illness. The availability of the assignment depends on the restrictive nature of the injury or illness and the availability of light duty. This assignment is subject to approval of the Human Resources Director and Police Chief.
- D. Course of Employment. Should it be determined by the employee's doctor, or an agreed doctor by both parties, or an Administrative Law Judge through the Workers' Compensation Appeals Board that an employee's illness or injury did not arise in the course of the employee's employment with the City or that the employee is not temporarily or permanently incapacitated or disabled as a result of the injury or illness, then the employee's accrued, or if insufficient, future sick leave shall be charged to reimburse the City for any payments made to the employee pursuant to above.
- E. Physician Pre-Designation. Before a work-related injury, an employee may elect to pre-designate a qualified medical provider if done in accordance with the State of California's Division of Workers' Compensation. Pre-designation regulations include, but are not limited to the following criteria:
 - 1. The physician has a previous history of directing the medical treatment of the employee;
 - 2. The physician retains the medical records and history of the employee, and;

The City will continue to provide vacation, sick leave, insurance, and other fringe benefits for employees who are receiving benefits pursuant to Labor Code section 4850 or for an accepted workers' compensation claim. Any fringe benefits not paid by the City pending the determination of whether an injury/illness is job-related shall be paid retroactively if the injury/illness is subsequently determined to be job-related. In such instances the employee shall be reimbursed for any benefit or premium payments made by the employee prior to the job-related determination being finalized.
- G. Industrial Disability Retirement. An employee granted an industrial disability retirement shall be entitled to participate in the Sick Leave Payout Program set forth in Section 4G(1)(c) of this Article.

Any employee who engages in outside employment during said leave of absence without the permission of the Police Chief or a duly authorized designee may be subject to termination. Based upon determination that group medical insurance coverage is in full force and effect, eligible employees through June 17, 2023 shall receive the monthly contribution of \$1,955.00. Effective June 18, 2023, the cash in lieu medical waiver amount of \$500.00 per month will remain fixed indefinitely. In the case of future promotional hires from City of Orange Police Association (COPA) to Association, the waiver amount will be \$500.00 per month, irrespective of the waiver amount that COPA employees are receiving under their said MOU. In the event that the employee loses eligibility (with documentation), then the employee shall enroll in the CalPERS Health Benefits Plan pursuant to their rules and regulations. The City shall contribute toward the payment of premiums under the CalPERS Health Benefits Plan to each eligible retired annuitant of CalPERS, to the extent required by law, a contribution of \$151.00 (\$157.00 for 2024) per month. The plan was voted on and approved by a majority of the members of the Association. This Trust is governed by the Trust Agreement and Premium Reimbursement Plan

documents. The purpose of the Trust Fund is to provide an entity to which contributions from participating employees can be paid and through which the elected or appointed Trustees can create and administer one or more employee welfare benefit plans for the participating employees on whose behalf the contributions have been paid and their beneficiaries. These benefits will be paid to the employees by the Trust as set forth in the Trust Agreement and Premium Reimbursement Plan.

Further, in accordance with Internal Revenue Code Section 501c and a majority vote of the Association membership, all employees shall contribute to the plan. The City does not contribute any funds to the plan but has agreed to withhold a pre-tax amount from each employee's paycheck, an amount which is set in accordance with the by-laws of the Benefit Trust. The City then pays these deductions to the Trust as soon as practical. This amount may change according to the rules and guidelines set forth in the Trust Agreement and Reimbursement Plan. The responsibility for the maintenance and investment of the Trust funds rests solely with the Trust's Board of Trustees and the Association.

The City agrees to hold the Association harmless and indemnify the Association against any claims, causes of actions, or lawsuits arising out of damages related to prohibited conduct in Section 1 above, Prohibited Conduct, when the Association, in good faith, performs its responsibilities under Section 4 above, Association Responsibility.

ARTICLE XXIII GRIEVANCE PROCEDURE

SECTION 1. DEFINITION OF GRIEVANCE. A grievance shall be defined as a timely complaint by an employee or group of employees or the Association concerning the interpretation or application of specific provisions of this MOU, or of the Rules and Regulations governing personnel practices or working conditions of the City.

No employee shall suffer any reprisal because of filing or processing of a grievance or participating in the Grievance Procedure.

SECTION 2. BUSINESS DAYS. Business days mean calendar days, exclusive of Saturdays, Sundays, and legal holidays recognized by the City.

SECTION 3. TIME LIMIT FOR FILING WRITTEN FORMAL GRIEVANCES. The time limits for filing written formal grievances shall be strictly construed, but may be extended by mutual agreement evidenced, in writing, and signed by a duly authorized representative of the City and the grieving party. Failure of the grieving party to comply with any of the time limits set forth hereunder shall constitute a waiver and bar further processing of the grievance. Failure of the City to comply with the time limits set forth in this Article shall automatically move the grievance to the next level in the Grievance Procedure. The grieving party may request the assistance of the Association in presenting a grievance at any level of review or may represent himself. Grievances shall be presented on City time.

SECTION 4. INFORMAL PROCESS. An employee must first attempt to resolve the grievance on an informal basis by discussion with the immediate supervisor without undue delay, or in no case, more than five (5) business days from the date of the alleged incident giving rise to the grievance, or when the grievant knew or should have reasonably become aware of the facts giving rise to the grievance.

Every effort shall be made to find an acceptable solution to the grievance by these informal means at the most immediate level of supervision. At no time may the informal process go beyond the Police Chief. In order that this informal procedure may be responsive, all parties involved shall

expedite this process. The grievant is to state the remedy requested for the resolution of the grievance.

When, within five (5) business days, a mutually acceptable solution has not been reached at the informal level, the employee shall submit the grievance in writing, on a Grievance form, to be mutually agreed to by the City and the Association, to the Police Chief. At this point, the grievance hearing process becomes formal. Should the grievant fail to file a written grievance within ten (10) business days, as outlined under this Section (Section 4), the grievance shall be barred and waived. The written grievance shall include the remedy requested for resolution of the grievance.

SECTION 5. FORMAL PROCESS, HUMAN RESOURCES DIRECTOR, POLICE CHIEF. If the grievance is not resolved through the informal process, and a written grievance is filed within the time limits set forth above, the grievant shall discuss the grievance with the Human Resources Director and the Police Chief. The Human Resources Director and the Police Chief shall render a decision and comments, in writing, regarding the merits of the grievance and return them to the grievant within ten (10) business days after receiving the grievance.

SECTION 6. FORMAL PROCESS, CITY MANAGER. If the grievance is not resolved in Section 5 above, or if no answer has been received from the Human Resources Director and Police Chief within ten (10) business days from the presentation of the written grievance to the Human Resources Director and the Police Chief, the written grievance shall be presented to the City Manager, or a duly authorized designee, for determination. Failure of the grievant to take this action will constitute a waiver and bar to the grievance, and the grievance will be considered settled on the basis of the last Management grievance response. The City Manager, or a duly authorized designee, shall render a final decision on the merits of the grievance and comments, in writing, and return them to the grievant within ten (10) business days after receiving the grievance. After this procedure is exhausted, the grievant, the Association, and the City shall have all rights and remedies to pursue said grievance under the law.

SECTION 7. In grievances filed to challenge the imposition of all discipline, the final step in the formal administrative process shall be a decision rendered by a Hearing Officer following a full and fair evidentiary hearing conducted by a Hearing Officer. If the parties cannot agree on the identity of the Hearing Officer, the parties shall procure from the Public Employment Relations Board (PERB) a list of seven (7) qualified Hearing Officers. Each party shall alternatively strike one name from the list until only one person remains, who shall be the Hearing Officer. The determination as to which party strikes first shall be made on a random basis.

The Hearing Officer shall determine whether good cause exists for the imposition of discipline and, if so, the appropriate degree of discipline, provided that the Hearing Officer may not impose more severe discipline than that assessed by the Police Department. The decision of the hearing officer is subject to the right of either party to seek judicial review pursuant to Section 1094.5 of the California Code of Civil Procedure. The cost of the Hearing Officer shall be paid by the City.
